The Accra Metropolitan Assembly (AMA) has shuts down "Diamond Pub" which owned by Shatta Michy wife of Shatta Wale.

The Metropolitan Chief Executive, cleared the place after visiting the area with his technical team and the security agencies yesterday.

He said AMA had ordered the police to investigate the matter after preliminary investigations proved that Shatta Michy, owner of the Diamond Pub building, had no proper documents covering the land and hence had no building permit to the pub.

The Accra Metropolitan Assembly requires operators of hospitality services in Ghana to get permits before starting operation. From indications, it seem Shatta Michy, wife of Shatta Wale and operator of the pub, failed to get a permit from the AMA **Dailyviewgh.com** understands.

When the said pub opened, it generate a lot of media attention after musicians Ara B and others "laughed" at Shatta Wale for opening what they termed a "Container Pub" for his wife despite his several display of owning "too much money" in public.
